

How Google can help your business

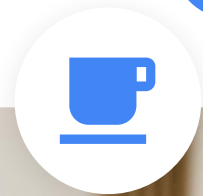

Table of contents

Getting Started

This guide provides a curated list of free and paid resources to help your business thrive. Start by reflecting on the challenges you face, then explore the tools listed below that can address your specific needs and challenges.

01.

Enhance security

02.

Boost productivity

03.

Reach your customers

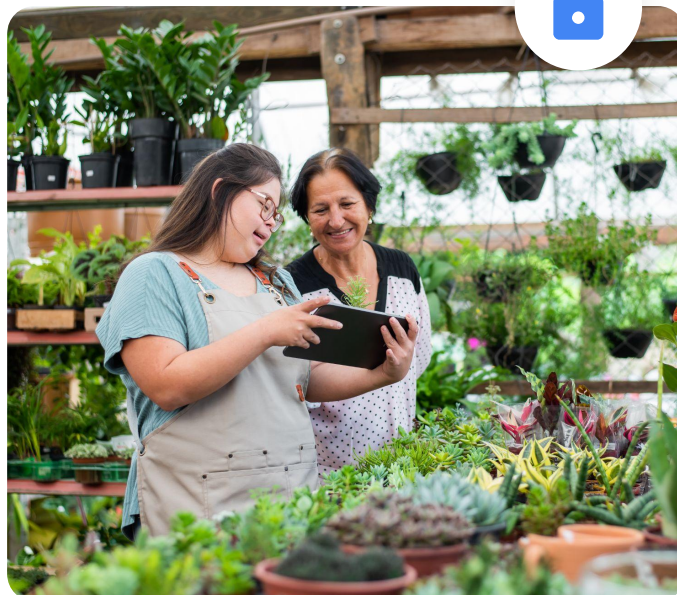

✓ Enhance security

Cyberattacks pose a significant threat to small businesses.

Small businesses being

3x

more likely to be targeted than larger companies.¹

Protect your valuable data and customer information with these resources:

Free Resources

[Gmail](#)

Protect your business from email-borne threats with Gmail's advanced security, blocking over 99.9% of attacks before they reach your inbox.

[ChromeOS Flex](#)

Extend the life of your existing Windows and macOS devices by upgrading them to ChromeOS Flex in just minutes. Avoid the cost of new hardware and reduce e-waste.

[Chrome Enterprise Core](#)

Strengthen your browser security and set policies, enable safe browsing to warn users of dangerous sites, block pop-ups, and disable plugins.

Paid Resources

[Chromebooks](#)

Chromebooks offer robust, built-in security. As a result, there have been zero reported ransomware attacks ever on a ChromeOS device as of 2025. Enjoy 10 years of automatic updates, minimizing IT burdens and maximizing cost savings.

[ChromeOS device management](#)

Lets you manage ChromeOS devices from the cloud through a simple, centralized experience with a free trial.

[Chrome Enterprise Premium](#)

Add advanced security features like blocking websites by category and preventing users from accidentally leaking data. Apply protections directly in Chrome, across platforms, without additional software installation.

1. [Small Businesses Are More Frequent Targets Of Cyberattacks Than Larger Companies: New Report, Forbes, 2022](#)

Boost productivity

91%

of small business owners work more than 40 hours per week.²

Reclaim your time and increase efficiency with these resources:

Free Resources

[Google Workspace](#)

Empower your team to work effectively from anywhere with Google Workspace's suite of communication and collaboration tools. Increase productivity and streamline workflows with a free trial.

[Grow with Google](#)

Enhance your team's skills and improve productivity with free training resources from Grow with Google.

[Gemini](#)

Boost your team's creativity and efficiency with Gemini, a versatile AI assistant. Gemini can streamline your workflows and free up valuable time, helping with tasks like drafting emails, generating marketing copy, brainstorming ideas, and more.

Paid Resources

[Chromebook Plus](#)

With 2x the power, speed, memory, and storage of other devices, and a HD 1080p camera, your team is empowered to do their best work*.

[Small Business Advisors](#)

Maximize your productivity by using Google products effectively. Book an appointment with a Google agent to learn more about Google products like Google Workspace, Google Business Profile, and Google Ads.

2. OneDeck, "Small Business Trends: 58% Of Small Business Owners "Very Concerned" About the Economy" April, 2023

*When compared to top selling Chromebooks from July 2022 to Dec 2022.

Reach your customers

In today's digital world, shoppers go online first in over

60% of shopping occasions.³

Expand your reach and attract new customers with these resources:

Free Resources

YouTube

Showcase your products, services, or customer testimonials with a free YouTube channel. Connect with your audience and build your brand.

Google Business Profile

Get discovered by adding your business to Google Search, Maps and more. Reply to reviews and personalize your profile with photos, offers and posts.

Google Analytics

Understand your website traffic and customer behavior with this free digital analytics platform. Optimize your marketing spend and avoid ineffective campaigns.

Paid Resources

Google Ads

Reach new customers and drive results by connecting with customers most likely to buy from you wherever they're browsing with Google Ads.

Local Services Ads

Connect with local customers searching for your services. Only pay when customers get in touch through your ad, rather than paying for clicks.

Google Fiber

Get fast, reliable internet with Google Fiber. With speeds up to 2 gigabits and a fiber-optic network built for peak traffic, your business stays connected and efficient. Plus, they proactively monitor uptime, so you can focus on what matters—your work.
